

Club Procedures regarding games:

1. All challenge games must be approved by county board.
2. All games official/challenge should have a recognised county board referee in charge.

Coach Duties if an injury occurs:

1. Should a player become injured at training or game coaches must remove the player from the action and ensure that the player is made as comfortable as possible.
2. Once a player has been removed coaches must contact the player's parents and inform them of their son/daughters injury.
3. Club Secretary and Club Chairman to be informed as soon as possible about relevant injury to player.

Parents Duties:

1. A parent may decide that their child will need to visit a doctor/Physio. This can only be decided by the parent of the child.

Club Duties:

1. The club secretary/chairman must contact the parents of the injured player's parents and provide the club and relevant coach with an update on the injured player.
2. The club will pay the following Physio/doctor expenses in relation to any injuries incurred by the player while on duty for St. Senans underage teams. This specifically relates to the following:
 - a) St. Senans Bord Na nOg will pay for 1) a Shannon Doc Visit, 2) a doctor visit or 3) an accident & emergency visit where no further doctor/accident & emergency visit or physio treatment is required;

Or

 - b) St. Senans Bord Na nOg will pay for the first two physio treatments (does not include doctor/accident & emergency visits) where a player requires ongoing treatment. Further treatment will not be paid by St. Senans Bord Na nOg.
3. A valid receipt is required from the doctor/Physio before expenses can be paid by the club.
4. The club will not cover costs whereby the injured player has not paid membership for the year.
5. **Please note that the above duties and procedures may change during the year and St. Senans Bord Na nOg Committe reserve the right to assess each player injury individually.**
