

St Senans GAA

Player Playing Time policy

As agreed at St. Senans Bord Na nOg AGM, the following is our Club Policy regarding underage players/playing time, etc.

- All players must be given sufficient game time at all games during the year;
- Players who consistently miss training sessions must then be given playing time which reflects the amount of training sessions which have been missed;
- If St. Senans have sufficient numbers of players on a panel, we will not accept players joining our club from another club as these transfers are not required.

All managers and trainers must adhere to the above guidelines in the interest of player welfare.

Colman O Flaherty
Club Chairman
St. Senans Bord Na nOg
